

HEALTHY LIVING VOCABULARY MATCHING

Match the DEFINITION, with the WORD and finally with the PICTURE. Be careful... The information is scrambled! When you've found the correct match, write it on your vocabulary card!

HOMEWORK IS DUE THURSDAY 1/16/14

WORD	DEFINITION	PICTURE
Addict/addiction	The process of an embryo (an animal in its earliest stages of development), growing and changing until it is born/hatched.	
Abnormalities	A physical or psychological need for a habit-forming substance, such as a drug or alcohol. In physical addiction, the body adapts to the substance being used and gradually requires increased amounts to reproduce the effects originally produced by smaller doses.	
Embryonic development	The act of eating, drinking, or using something.	 <p data-bbox="1000 1524 1276 1558">Must...Have...MORE!!!</p>
Consumption	The quality or state of something that is different from what is normal or average. Unusual, especially in a way that causes problems.	<p data-bbox="854 1575 1208 1596">Fetal Growth From 8 to 40 Weeks</p> 

<p>Toxic substances</p>	<p>A substance that causes a change in a person's body or behavior.</p>
